Mickey

Happy Tail's Red Hot Mickey

Mini Poodle

DOB: 07.25.2022

Microchip #

992021000006204

Registration: AKC

PR25872103

Weight: 15 lbs

Height: 16"

Color: Red Abstract

Personality Traits: Mickey, the adorable red and white mini poodle, is the very essence of cuteness, charm, and playfulness. His soft, curly coat and bright, expressive eyes make him utterly endearing, and his sweet nature warms the hearts of all who meet him. Mickey's playful spirit is truly infectious and his boundless energy is matched only by his enthusiasm for life.

Additional Comments: Mickey is a great choice for Red Abstract puppies. When paired with a blenheim Cavalier, he throws a lot of blazes and will never produce a party pup. His color DNA is unique and very rare!
